

GALFER RELEASE OF LIABILITY FORM

There are two versions of brake lines available from Galfer as I'm sure you may have heard but just in case...

1) The primary conversion (HIGH PERFORMANCE) to steel-braided line is a 2-line kit that has banjo type fittings. Our current sale is \$115 for front and rear or \$155 for front, rear and clutch. This kit will give you a lot of feel at the lever. You may purchase this kit with gold fittings for an extra charge of \$10 per kit.

2) The other option is the (SUPER BIKE KIT) is a step up from the already very improved braking performance offered by the HIGH PERFORMANCE kit due to the front 2 line kit directly threading into the calipers (no banjo bolts). The Super Bike kit is available for race use only, the current sale price is \$99 for the front only, \$149 for front and rear or \$199 for front, rear and hydraulic clutch with matching colors on coating and fittings. Again, we can have the popular Galfer High Performance Brake line kits with gold fittings if you plan to do street riding for an additional \$10 per kit.

(Note: The rear kit for the ZRX will have one gold and one silver fitting because one of the fittings is an uncommon angle and not produced in gold. You should be able to tuck this out of sight but will only pay \$5 gold charges.)

If you are purchasing the Super Bike Kit then we will need you to print, fill out and sign the release below. Fax it to 1-805-671-5002.

CYCLE BRAKES AND GALFER RELEASE OF LIABILITY:

I _____ (print name) understand that these brake hoses are for RACING USE only and I release Galfer and Cycle Brakes from any liability from the result of using this brake lines on public roads. I also understand that these brake lines require close supervision and maintenance and by not doing so I put my self and others in danger and personal risk, and again I do release Galfer or Cycle Brakes from any liabilities.
